

# The Business Philosophy of The Xsabo Group

## Our Business Philosophy: "Best-in-Class" Concept

Zentrale = Regional Head Office / Global Head Office | SBU = Strategic Business Unit / Project Company

As with an orchestra conductor and typical of a knowledge-based organization, The Xsabo Group secures high comparative advantage by integrating "Best-in-Class" players into its value chain

### Key advantages:

- ❖ Top business results
- ❖ Safeguarding of our technological edge
- ❖ High efficiency in our projects
- ❖ Optimal in-house competence
- ❖ Lower investment costs

### "Best-in-Class" Partners:

- ❖ Leading corporate business players in their respective field(s)
- ❖ Pool of highly respected freelancers across the globe

Depending on the client and the subject matter, The Xsabo Group provides insights and/or problem-solving solutions in the following areas of expertise or any combination thereof:

❖ Business Networking

❖ Commercial Diplomacy

❖ Interim Management

❖ International Expansion / Market Entry
